

## Tin Ka Ping Secondary School

### Physics Department

### Internal Assessment

To ensure effective teaching and learning, there is always a need to assess what students have achieved. In addition, assessment can serve as an indicator to measure the quality and effectiveness of the learning programmes.

<b>S3</b>			
Type	Duration	Frequency	Mark distribution
Assignment & Classroom participation	/	/	5%
Book report / Home expt.	/	Once per term	5%
