

## Report on the Diversity Learning Grant\_2015-2016

Subject	Programme	Date	No. of Participants	Attendance	Reviews
V.A.	S6 Painting Enhancement Class	Oct - Dec 2015	15	90%	The attendance was very good (100%). The tutor is very helpful and experienced. The students found that the lessons useful.
Biology	Enhancement Class (F.5)	Oct 2015 - Dec 2015	25	92%	The attendance is very good. The tutor was responsible. Every lesson was well-prepared. The overall effectiveness of the class is good.
Biology	Enhancement Class (F.5)	Oct 2015 - Dec 2016	25	90%	The attendance is very good. The tutor was responsible. Every lesson was well-prepared. The overall effectiveness of the class is good.
DSE Music	Paper I Listening_Aural Training	Oct - Dec 2015	3	100%	The attendance was very good (100%). The tutors are very helpful and experienced. Second session will be held next academic year.
DSE Music	Paper I Listening_Aural Training	Mar - May 2016	3	100%	The attendance was very good (100%). The tutors are very helpful and experienced. Second session will be held next academic year.
Economics	Enhancement Class (F.6)	Sept - Dec 2015	29	79.70%	The attendance was good (approximately 80%). The feedback and comments from majority of the students were very positive. They found the lessons interesting. The tutors were very responsible and punctual.
Economics	Enhancement Class (F.5)	Feb - May 2016	20	80%	The attendance was good (80%). The feedback and comments from majority of the students were very positive. They found the lessons interesting. The tutors were very responsible and punctual. This has been the second time for the same tutor, thus she is more experienced.
BAFS	Enhancement Class (F.6)	Sept - Dec 2015	20	82.40%	The attendance was good. (approximately 80%). The feedback and comments from majority of the students were very positive. They found the lessons interesting. The tutors were very responsible and punctual.
BAFS	Enhancement Class (F.5)	Feb - May 2016	15	83%	The attendance was good. (approximately 80%). The feedback and comments from majority of the students were very positive. They found the lessons useful and practical. The tutor was very responsible and punctual.
Geography	Enhancement Class (F.6)	18/9, 25/9, 2/10, 9/10, 16/10, 23/10, 30/10 and 6/11	13	90%	The attendance was good. Students found the lessons useful and practical. The tutor was helpful.
Mathematics	Enhancement Class (F.6)	16/10 · 30/10 · 6/11 · 4/12 · 11/12 · 18/1	22	over 90%	The attendance was good. Students were attentive. The tutors were responsible. They can help students understand the difficult questions. The effectiveness of the course was satisfactory.
I.C.T.	Enhancement Class (F.6)	Oct - Dec 2015	17	80%	Students' attendance was satisfactory 80% (except one of them). The tutor shared his experience in how to get DSE marks on paper 1. However, students were passive and lack of initiative. Some of them were not willing to work hard on ICT subject.
Liberal Studies	Enhancement Class (F.6)	Oct - Dec 2015	30	80%	The feedback and comments from some of the students were good. The tutor was responsible and punctual. She prepared well for the lesson. However, the relationship between tutor and students can be further improved so that students' improvement can be more remarkable. On the other hand, we found that it is difficult to find a good LS tutor since it needs a high standard teaching techni.
Liberal Studies	Enhancement Class (F.6)	Oct - Dec 2015	30	100%	The attendance was very good. The feedback and comments from the students was very positive. They participated actively in the lesson. Students had improvement not only through lecturing but also practicing(short quiz). Tutor is very responsible. She always prepared notes and shared the hot issues with the students which can prepared well for their DSE.
History	Enhancement Class (F.6)	19-23/10, 26/10, 4-6/11, 17-19/2	15	100%	The attendance was very good. Students were keen in asking questions and seeking advices. The tutor was responsible with well-prepared materials. He was willing to share his experience with the students. His detailed report after the enhancement class was much appreciated. The effectiveness of the course was found satisfactory.
Physics	Enhancement Class (F.6)	23/12 - 1/2	17	over 90%	Students performance: Students have good participation in the Class. Half of the students achieve over 90% attendance. The content and degree of difficulty is suitable for the students. Teaching of tutor: The tutor is experienced and enthusiastic in teaching. He can explain the concepts to students clearly. Generally speaking, the class can help students understand the difficult questions and is helpful to the students.
Physics	Enhancement Class (F.6)	23/12 - 1/2	8	over 90%	Students performance: Students have good participation in the Class. Half of the students achieve over 90% attendance. The content and degree of difficulty is suitable for the students. Teaching of tutor: The tutor is experienced and enthusiastic in teaching. He can explain the concepts to students clearly. Generally speaking, the class can help students understand the difficult questions and is helpful to the students.
Physics	Enhancement Class (F.5)	26/2 - 27/5	20	Nearly 80%	Students have good participation in the Class. Students are willing to learn in the class. Nearly 80% of students achieve over 80% attendance. The tutor is experienced and enthusiastic in teaching. He can explain the concepts to students clearly. Generally speaking, the class can help students understand the difficult questions and is helpful to the students.
Physics	Competition Guidance and Tutoring	20/ 2 - 23/4	4	over 90%	Students are keen and active in participating the competition. Only one students cannot reach 90% attendance. Students find the competition excellent on the following aspects: 1) I can apply my physics knowledge in the competition. 2) The activity makes me understand more on engineering. 3) The tutor guides me to think like an engineer. 4) This experience helps me to improve my problem-solving skills. 5) This experience is fruitful to me.

**Report on the Diversity Learning Grant\_2015-2016**

History	Enhancement Class (F.5)	3/3, 10/3, 17/3, 7/4, 14/4, 21/4	17	over 90%	The attendance was good. Students were attentive. The tutor was responsible with well-prepared materials. He was willing to share his experience with the students. His detailed report after the enhancement class was much appreciated. The effectiveness of the course was found satisfactory.
